(Please check to make sure that your student has done all assigned work, and that it has been checked and corrected, and is stapled to this sheet and turned in when due.)

SCRAPBOOK CHECKPOINTS:

-If you have not already done so, be sure to contact your country's embassy this week to request information. It sometimes takes a while to hear back from an embassy, so please don't procrastinate any longer on this requirement.

-You should also be gathering general information in the form of books, websites, and newspapers (or current events articles) and begin researching and taking notes for the History and Human Geography sections of your project.

-Look for 2 Current Events articles about your country. Read the articles and type up a summary of each.
